

# AYESHA STEEL

NEW SEATING SYSTEM

Quality affordable office furniture

AN ISO 9001 : 2015 CERTIFIED COMPANY

# AYESHA STEEL

Ayesha Steel is design and quality oriented high grade chairs manufacturer. Our products are ergonomically designed to provide maximum comfort and support.

Our products are widely accepted by Leading Architects, Interior Designers, Hotels, Airports, Hospitals, Educational Institutes as well as various Government and Multinational Companies.

At Ayesha Steel, we believe that office chair should be the first partner at work. We ensure that there is suitable model for different shapes and requirements. While maintaining persistent quality standards, our aim is to provide maximum relaxation at work yet providing optimum utilization of space. We design all our products in accordance to fit your body shape curve and meet all the parameters related to comfort and style. All the products are designed using high quality foam and fabrics, high bearing steel, featuring tilting angles and height adjustment for great seating support.

In our continuous passion of developing new designs while maintaining high quality parameters, we proudly present our New Collection...

# FREEDOM BEGINS AT HOME

We believe that true freedom begins at home and how we live greatly affects our lives. That's why we thrive to constantly develop and deliver complex interior solutions - matching collections of furniture, doors, floors and wall systems.

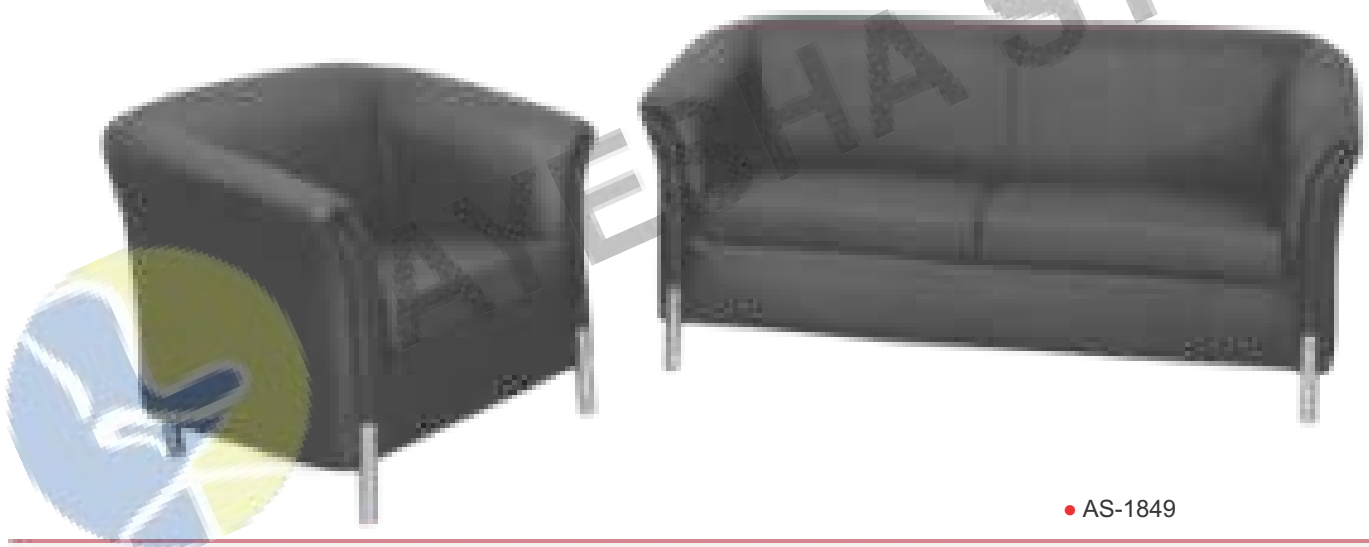

# Sofa Series

The appearance and functionality of the Balance system depends only on your imagination. Choose your colour, define functions and finally combine its elements without the use of screws or bolts.

Every day brings you more important things that are difficult to part with.

All these things will find their place  
either hidden or displayed, always at arm's reach.

In living room or home workshop  
- We will help you keep things tidy.

• AS-1854

We believe that a beautiful and functional interior is the beginning of a happy home where everyone can be themselves.
